May 1, 2005

Mike Stokes called the meeting to order at 2:35pm.

June Fly-In Rescheduled

Mike Stokes announced the fly-in scheduled for **June 3-5 is rescheduled for June 24-26**, since there would have been just two weeks separating it from the May 13-15 fly-in.

Signs

Billy Kemp presented the Club with a dozen signs his daughter made for the club. Examples of the signs include, "Stop Here" to remind pilots not to taxi into the pits from the runway and "Y'all Come Back Now", which you see as you leave the field. A special thanks to Billy Kemp and his daughter for making these signs!

No New Rules

Because the meeting was so short, none of the "rule makers" had a chance to make a motion for any new rules! Shocked and pleasantly surprised, Josh Bond made a motion to adjourn the meeting quickly before anyone thought of any. Chris Quinn remarked, "I think this is a first."

Mike Stokes adjourned the meeting at 3:50pm
