May 12, 13, 14 Fun Fly MOVED to May 19, 20, 21

Mike Stokes moved the May Fun Fly to the next weekend because of Mother's Day weekend. No one caught this scheduling conflict when the events were scheduled.

The new Fun Fly date is: May 19, 20, and 21.

Joint Club Fly-Ins

Mike Stokes announced that Clarksville, Gallatin, Music City Aviators (Madison), and VSMA (our club) have reached an agreement to hold 2 annual fly-ins. The 4 clubs will work together to sponsor and host an AMA sanctioned Fly-In during the Spring and the Fall of each year. Each of the clubs will take turns hosting the event, with the first Fly-In hosted this Fall. To determine which club would hold the first Fly-In, the club Presidents drew numbers. VSMA will host the first fly in this Fall. Music City Aviators will host the Spring 2007 Fly-In.

The clubs will split the expenses, manpower, and profit from each Fly-In. And pilot participation in the Fly-In's should be huge, as each Fly-In will be a joint effort by all 4 clubs.

The Clarksville club will also host an annual Swap Meet, at a location yet to be determined. Each of the 4 clubs will participate in this event as well.

Brian Borders, VP, Resigns

Mike Stokes announced that the Club Vice President, Brian Borders, has resigned his position because of time constraints with his new job. Mike Stokes mentioned the possibility of having nominations and a special election for a new Vice President. No decision was made on this issue.

New, American Flag

The Club extends a special thanks to Pat Reese who volunteered to give the Club a new American flag, since the existing one is quite tattered and torn.

Officers Should Attend Meetings

Billy Kemp made a motion that Officers should attend meetings. Newton Derryberry questioned why someone would want to be a Club Officer if they do not attend the meetings. Procedurally, the motion was not seconded, nor was it otherwise pursued.

Mike Stokes adjourned the meeting at 3:30pm.
