

VSMA Monthly Meeting Sept 7, 2004

Meeting called to order.

Mike Stokes passed out the new Pilot Certificates to:

Isaac Webb
Johnny Webb
Dudley Morton
Cody Mathis

A report about the Labor Day Fly In was given by Mike Stokes. The weekend went very well, and we took in a little over \$1200.00

There was a discussion on whether or not the club should buy a PA system or a Bullhorn to use at events (like the Labor Day Fly In). No decision was made.

It was decided that a committee would be selected to organize the next event, but the next event date was not set.

A change in the monthly meeting was brought before the club. This would change the meeting from the 1st Tuesday of the month to the 1st Sunday of the month, but only during daylight saving time, and these meetings will be at 3:00pm at the field. The winter months will still be on the 1st Tuesday of the month at 7:00 pm at the Springfield Airport. This change was voted on and passed.

There was a special meeting set for Sunday Sept. 12 at 3:00pm at the field to help let people know about the change in meeting dates.

Pat Reese donated a new flag to the club. The old one was retired. Thanks Pat. Pat is going to be stationed in Egypt for the next year. All of us from VSMA wish you the best, and a safe return. He is keeping his membership in VSMA, so we'll see him and his Cubs next year.

Next meeting there will be a field layout will be presented to the club, and Field Flying Rules will be discussed. These rules will be posted on the board at the field.

Meeting closed.
